"We are now pleased to announce that we have consolidated our operations in KL and our Head office at Menara Weld," an MSIG spokesman said.

MSIG's move concludes six months of meticulous planning and feverish activity.

"It was not a simple matter of packing up and moving," said an MSIG manager. "We also had to renovate the current MSIG offices at Menara Weld and that in itself was a major

operation. Our main objective was to ensure our customers are not inconvenienced in any way. In any case, we have moved to a new office in Kuala Lumpur. For l g e m e s e t r w e a t F a l d a n t h e n p o v i n
