

EXPLANATORY NOTES

How to read this document

Please note that your Private Car Policy only starts from Page 5 onwards. To help you read and understand your policy better we provide some explanatory notes together with comments and examples (written in italic). These are not meant to be part of your policy and should not be used to interpret your insurance contract in the event of any dispute.

Words in bold

You will notice that some words in the policy are printed in bold letters. This is because they have been given specific meaning in your Private Car Policy. Please refer to Section F for the meaning of these words.

What makes up your insurance contract?

Your insurance contract with us is made up of the following:

- insurance policy (excluding the italic texts);
- the information you provided us when you applied for this insurance;
- the Schedule;
- the Endorsements attached to the policy; and
- the Certificate of Insurance (CI).

All these must be read together as they form your insurance contract.

Duty of Disclosure

A. Consumer Insurance Contract

Where you have applied for this insurance wholly for purposes unrelated to your trade, business or profession, you had a duty to take reasonable care not to make a misrepresentation in answering the questions in the Proposal Form (or when you applied for this insurance) i.e. you should have answered the questions fully and accurately. Failure to have taken reasonable care in answering the questions may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of terms or termination of your contract of insurance in accordance with Schedule 9 of the Financial Services Act 2013. You were also required to disclose any other matter that you knew to be relevant to our decision in accepting the risks and determining the rates and terms to be applied.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

B. Non-Consumer Insurance Contract

Where you have applied for this insurance for purposes related to your trade, business or profession, you had a duty to disclose any matter that you know to be relevant to our decision in accepting the risks and determining the rates and terms to be applied, and any matter a reasonable person in the circumstances could be expected to know to be relevant, otherwise it may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of term(s) or termination of your contract of insurance.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

If you misrepresented any facts to us before the policy is entered into, examples of the actions that may be taken by us against you include the following:

- declare your policy void from inception (which means treating it as invalid), and we may not return any premium;
- cancel this policy and return any premium less our cancellation charge or recover any unpaid premium;
- remove one or more named drivers from your policy and adjust your premium accordingly;
- recover any shortfall in premium;
- not pay any claim that has been or will be made under the policy; or
- be entitled to recover from you the total amount of any claim already paid under the policy or any claim we have to pay because of any relevant road traffic legislation, plus any recovery cost.

What this policy does not cover?

These are referred to as 'Exceptions' in your policy and there are three sections where you can find them:

- Section A1b - see 'Events We Do Not Cover': applicable to Comprehensive policy only.
- Section B1b - see 'What is Not Covered': applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only policies.
- Section D - see 'General Exceptions': applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only policies.

There are generally three reasons why we put these exceptions in your basic Private Car Policy:

1. Cover is not provided for the exceptions. We have to charge additional premium if you want to cover any of these exceptions. Some examples of the exceptions which are not covered by your basic Private Car Policy but which can be covered if you pay additional premium are:
 - flood, storm {see Section A1b - 'Events We Do Not Cover'};
 - strike, riot, civil commotion {see Section D - 'General Exception 8b'}; and
 - use outside Malaysia, Singapore or Brunei {see Section D - 'General Exception 6'}.
2. There are other risks which are not covered by the basic Private Car Policy or by any of its extensions. We would have to issue a different policy if you want these types of cover. For example, the following are not covered by your Private Car Policy but can be covered under a different type of policy:
 - carriage of goods must be covered under a Commercial Vehicle Policy; and
 - hire or reward must be covered by taxi or hired car policy.
3. We cannot and do not cover certain risks at all. Some examples of these can be seen in Section D - 'General Exceptions' such as:
 - war, nuclear fission or fusion;
 - risks that are against public policy or against the law; and
 - drunk driving.

How can your car be used?

Since this is a Private Car Policy, your policy only covers you if your car is used for "social, domestic and pleasure purposes and for the policyholder's business". This is clearly stated in the Certificate of Insurance under the heading "Limitation as to Use".

The following are some examples of how your car can be used:

- to visit relatives and friends, for shopping etc.; and
- for some limited business use such as getting to and from work, and meeting customers.

However, we will not cover you, for example, if you use your car in the following manner:

- as a private taxi by charging fares to carry passengers;
- as a hire car by charging rental to use your car;
- to carry any goods in connection with any trade or business other than samples. You must buy a Commercial Vehicle Policy to cover for this use;
- for motor trade (use for showroom display and for test-drive);
- to practise for or to take part in any race, rally, pacemaking, reliability trial or speed test; and
- use on any racetrack.

Who can drive your car?

- Practically anyone can drive your car as long as the driver:
 - has a valid licence of the relevant class to drive and is not disqualified to drive by law or for some other reason {see exclusion on Unlicensed Drivers in Section D - 'General Exception 1'};
 - has your permission to drive (see definition of 'Authorised Driver' in Section F); and
 - complies with all the terms and conditions of this policy.
- Although anyone complying with the above conditions can drive your car, you may have to pay an additional excess depending on the age of the driver, the type of licence the driver possesses or if the driver is not a named driver (see explanation on excess under Section 'What is an Excess?'). If you or your **authorised driver** is not qualified to drive or breach any of the terms and conditions, your claim may be rejected. If we are compelled by law to pay, we can recover any sum(s) paid and any expenses incurred from you or your **authorised driver**.

In which territory is your car covered?

This insurance you have purchased only covers you in Malaysia, Singapore and Brunei in accordance to the laws of Malaysia. Additionally, note that if you intend to drive your car into Singapore, you are required by Singapore's law to have cover against Legal Liability to Passengers (LLP). Since LLP is not covered by the basic Private Car Policy, you will need to purchase Endorsement 100, which provides a limited cover for your liability for death or bodily injury of passengers.

When is your cover effective?

This insurance is effective from the time of purchase of cover or at the agreed time of commencement, until the expiry date. The period of insurance will be printed in the Policy Schedule and related documents. If there is any change to these dates, it will be officially shown in an Endorsement issued by us.

How much should you insure your car?

To be safe, you should insure your car at its current market value (see definition of 'Market Value' in Section F). In simple terms, this is the current cost to replace your car with another car of the same make, model, age and general condition. The amount that you choose to insure is called the sum insured. Please note that you could be penalised if your car is under-insured (see Section A2e - 'Under-Insurance').

For example, if the market value of your car is RM100,000 but you only insured it for RM80,000 then you could be penalised for under-insurance. Assuming the loss is assessed at RM5,000, instead of we paying the full amount, you could be made to bear a portion of the loss in proportion to the under-insurance as follows:

$$\frac{\text{Sum Insured}}{\text{Market Value}} \times \text{Loss} = \frac{\text{RM80,000}}{\text{RM100,000}} \times \text{RM5,000} = \underline{\text{RM4,000}}$$

Therefore we will pay RM4,000 while the balance of RM1,000 will be borne by you.

You would be penalised as shown above if the market value of your car exceeds the sum insured by 10%. On the other hand, it would be a waste of money to over-insure as your insurer would not pay more than the market value. One way to protect yourself from being under-insured or over-insured is to opt for the sum insured determined by a market valuation system approved by Your insurer.

What is No Claim Discount (“NCD”)?

This is a form of premium discount for not having made a claim during the preceding period of your insurance (provided the period of insurance exceeds one year). The scale of NCD applied is specifically mentioned in the policy. The applicable NCD can be checked with us or the Central NCD Database (“CND”) at [https:// www.mycarinfo.com.my /ncdcheck/online](https://www.mycarinfo.com.my/ncdcheck/online) before the purchase of your Private Car Policy.

What is an Excess?

This is the first amount that you have to bear yourself for each and every claim that we approve, even if the incident is not your fault. However, please note that the excess does not apply to loss or damage caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims. Please check your Policy Schedule to find out the amount that you are liable to pay. This is referred to as Endorsement 1 or 2 in your policy. Note that there is also the Compulsory Excess (see Section A2g) where you have to bear an additional excess of RM400 if you or the person driving your car:

- is under 21 years old;
- holds a Provisional (P) or Learner (L) driver’s licence; or
- is not named in the Schedule as a named driver.

As an example, if we assess the claim payable to be RM10,000 but your policy carries an excess of RM500, you will have to bear the first RM500 yourself and we will pay the balance of RM9,500. However, if the driver is below 21 years old, you have to bear an additional excess of RM400. Using the same example, you now have to bear RM900 (i.e. 500 + 400) and we will pay RM9,100.

Do’s and Don’ts - after you have had an accident or theft

- **Do:**
 - inform us as soon as possible about any incident which may give rise to a claim;
 - report all accidents to the police within 24 hours as required by law;
 - submit immediately to us all letters, claims, writs and summons which you have received from third parties as a result of the incident;
 - move your car to an Approved Repairer for repairs or windscreen repairs or replacement;
 - fully fill up the relevant sections of your claim form - do not put “refer to police report”; and
 - if you have a Comprehensive cover and the third party that knocked your car is clearly at fault, you are advised to submit own damage Knock-for-Knock (KfK) claim to us in order to expedite claims processing. Your NCD entitlement will not be affected and you can claim the excess that you had paid from the insurer of the third party.
- **Don’t:**
 - negotiate, admit or repudiate any claim without our consent (see Condition 2 in Section E); and
 - authorise repair without our consent (see Condition 2f in Section E).

Condition 2 of your policy (see Section E) spells out the do’s and the don’ts after an accident or theft in more detail.

Section A: Loss or Damage to Your Own Car

This section spells out what We cover under Section A and is only applicable if You have Comprehensive cover.

1a: Events We Cover

We will indemnify You if Your Car is lost or damaged during the Period of Insurance arising from the following Incidents:

- (i) fire, explosion or lightning; or
- (ii) burglary, housebreaking or theft.

1b: Events We Do Not Cover

The events We do not cover are the exceptions listed below. These exceptions are specific to Section A and are in addition to exceptions listed in Section D and the applicable Endorsements.

We will not pay for the following losses:

- (i) **Consequential Losses**
Any direct or indirect losses of any kind that may arise as a consequence of any Incident other than that provided for in Section A2.
- (ii) **Loss of Use**
Any expense or financial loss that You may incur because You cannot use Your Car e.g. cost of hiring replacement car, travelling expenses etc.

- (iii) **Depreciation**
The loss of value of **Your Car** due to the damage sustained or the time taken to repair the **Car**, and / or for any loss or damage that results over a prolonged period of time due to wear and tear, rust and corrosion.
- (iv) **Breakdown or Malfunction of Parts**
Any mechanical, electrical or electronic breakdown, equipment or computer malfunction, or any other failure or breakdown to **Your Car**.
- (v) **Damage to Tyre(s)**
Any damage to the tyre(s) of **Your Car** unless other parts of **Your Car** are also damaged at the same time.
- (vi) **Convulsions of Nature**
Any loss or damage to **Your Car** caused by flood, typhoon, hurricane, storm, tempest, volcanic eruption, earthquake, landslide, landslip, subsidence or sinking of the soil / earth or other convulsions of nature.
- (vii) **Excess**
The amount of **Excess** stated in the **Schedule**. This is the first amount that **You** have to bear in respect of each and every claim under the **Policy**.
- (viii) **Loss of Electronic Data**
Loss of electronic data and any consequences arising from it, directly or indirectly caused by or in connection with a computer virus. This includes loss of use, reduced functionality, or any other associated loss or expense in connection with the electronic data.
- (ix) **Cheating or Criminal Breach of Trust**
Any loss or damage, including theft, caused by or attributed to the act of **Cheating** or **Criminal Breach of Trust** by any person.

2: Basis of Settlement

This section explains how **We** will settle **Your** claim once **We** accept that it is payable under Section A. If **Your Car** is damaged as a result of any **Incident**, **We** have the option of doing the following:

a. If Your Car is Repairable

If in **Our** opinion **Your Car** is economical to repair, **We** have the option to:

- arrange for **Your Car** to be repaired at an **Approved Repairer** and pay the cost of repairing **Your Car** to the condition which is as near as possible to the condition it was in before the loss happened;
- pay **You** in cash the amount **We** estimate it would cost to repair **Your Car**; or
- reinstate or replace **Your Car** with one of the same make, model, age and general condition.

b. If Your Car is not Repairable

If in **Our** opinion, the damage to **Your Car** is so great that it would not be safe or economical to repair, **We** will declare **Your Car** "Beyond Economic Repair" ("BER") and **We** will pay **You** up to the maximum amount as stated in (d) below or offer **You** a settlement sum equivalent to the **Market Value**. **We** may also opt to replace **Your Car** with one of the same make, model, age and general condition. If **We** take any of these actions, this **Policy** shall be automatically terminated once **We** make payment.

*In cases where the valuation of the franchise-holder vary from **Market Value** by more than 10%, **We** would also have the option to offer a settlement value which is equal to the cost of purchasing a replacement car of the same make, model and age of the **Car** at the time of loss. It is **Our** option to offer **You** a replacement of the **Car**, should **You** not agree with the offer.*

c. Replacement Parts

If the spare parts or **Accessories** required to repair **Your Car** are not available in Malaysia, or if **We** choose to pay for the loss or damage in cash, **We** will settle **Your** claim on the following basis:

- the last known parts price list issued in Malaysia by the manufacturer or their agent. If the price list in Malaysia does not exist, **We** will use the price at the manufacturer's production plant and include reasonable cost of transportation to Malaysia (but not the cost of air freight); and
- the reasonable labour cost of fitting such spare parts or **Accessories** in Malaysia.

d. The Maximum Amount We will Pay You

If **Your Car** is BER or stolen and not recovered, the amount payable under the **Policy** will be the **Market Value** at the time of the loss or the **Sum Insured** as shown in the **Schedule**, whichever sum is the lesser. Upon **Our** payment of the said amount, this **Policy** shall be automatically terminated. The **Market Value** is to be determined according to clauses 14 and 15 of Section F.

e. Under-Insurance

If the **Sum Insured** of **Your Car** is less than the **Market Value** at the time of the loss, **We** will only bear part of the loss in proportion to the difference between the **Market Value** and the **Sum Insured** as shown in the formula below:

$$\frac{\text{Sum Insured}}{\text{Market Value}} \times \text{Assessed Loss}$$

The balance has to be borne by **You**. However, this will only apply if the under-insured amount is more than 10% of the **Market Value**.

f. Betterment

If new original parts are used to repair **Your Car** and as a result of which **Your Car** is in a better condition than it was before the damage, **You** would be required to contribute to its betterment, a proportion of the costs of such new original parts. **Your** contribution would be according to the following scale:

Age of Your Car (Years)	Rate of Betterment
less than 5	0
5	15%
6	20%
7	25%
8	30%
9	35%
10 and above	40%

To determine the rate of betterment to be applied, the age of **Your Car** will be calculated based on when it was originally registered in Malaysia:

a. as a locally assembled car	Date of Original Registration
b. as a new imported Completely Built Unit (CBU) car	Year of Manufacture
c. as an imported second-hand / used / reconditioned car	Year of Manufacture

g. Compulsory Excess (see explanation on excess under Section 'What is an Excess?')

In addition to the **Excess** shown in the **Schedule**, **We** have the right to deduct another RM400 as **Compulsory Excess** if at the time of the **Incident**, **You** or the person driving **Your Car** with **Your** consent:

- is under 21 years old;
- holds a Provisional (P) or Learner (L) driver's licence; or
- is not named in the **Schedule** as **Named Driver**.

We will not deduct this additional RM400 **Excess** if the loss or damage is caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims.

3: Towing Costs

If **Your Car** cannot be driven as a result of any damage to it that is covered by this **Policy**, **We** will pay up to a maximum of RM200 for the necessary and reasonable costs to move **Your Car** to the nearest **Approved Repairer** or to a safe place of storage while awaiting repair or disposal.

Section B: Liability to Third Parties

This section explains what is covered and not covered under Section B.

1a: What is Covered?

- (ii) damage to property except those specifically excluded under this **Policy**

Liability to passengers other than:

- a) passengers carried for hire or reward;
- b) employees in the course of employment; or
- c) Your or Your Authorised Driver's Household member unless he / she is required to be carried in Your Car by reason of or in pursuance to a contract of employment;

may be insured separately for additional premium under Endorsement 100. If You have insured such liability, You will need to refer to the full text of Endorsement 100: Legal Liability to Passengers as to what this Endorsement covers or excludes and the applicable conditions.

- (v) liability caused by a passenger travelling in or alighting from Your Car;

4: Legal Costs

If **You** or **Your Authorised Driver** is charged for reckless and dangerous driving or careless or inconsiderate driving under the Road Transport Act 1987 or any other offence related to the said **Incident**, **We** will pay legal costs incurred up to a maximum of RM2,000 to defend **You** or **Your Authorised Driver** provided always that such costs are incurred in Malaysia, the Republic of Singapore or Negara Brunei Darussalam, and that cost has been incurred with **Our** prior agreement in writing.

We will only pay for legal cost and **We** will not pay for any penalty imposed on **You** or **Your Authorised Driver**.

5: Rights of Recovery

We have a right to refuse to indemnify **You** or **Your Authorised Driver** if either of **You** commit a breach of any **Policy** conditions or where the claim falls outside the scope of cover provided by **Us** under this **Policy**. However, if **We** are legally required to pay any judgment sum in respect of a claim under Section B of this **Policy** because of laws in force in Malaysia, Republic of Singapore or Negara Brunei Darussalam, which **We** would otherwise not have to pay, **We** have the right to ask **You** or **Your Authorised Driver** to repay to **Us** the amount of that payment and any costs **We** have incurred in connection with the claim.

Section C: No Claim Discount

This section spells out the reward system known as the “No Claim Discount”.

1. No Claim Discount (NCD)

If **You** have insured **Your Car** for a continuous period of 12 months and **You** or anyone else did not make any claim under this **Policy** during that time, a NCD will be applied at each renewal. The applicable NCD will increase with each renewal if **You** continue to have claim free years as follows:

Claim Free Year of Insurance	NCD Entitlement
After 1 continuous claim free year	25%
After 2 continuous claim free years	30%
After 3 continuous claim free years	38 1/3%
After 4 continuous claim free years	45%
After 5 continuous claim free years and beyond	55%

2. One Claim and Your NCD is Down to Zero

If **You** or anybody else meet with an **Incident** which will give rise to a claim on this **Policy**, the NCD entitlement that **You** have accumulated would drop to zero at the next renewal and **Your** NCD will start all over again. If a claim is received after the NCD has been applied, **We** shall be entitled to recover the NCD given from **You**.

3. Exception to this Rule

Your NCD will not be affected even if a claim is made if:

- **We** are of the opinion that **You** are not at fault for causing the loss;
- the offending vehicle is identifiable and is not a vehicle used for carriage of passengers for hire or reward (for example taxis, hire cars, public buses, stage buses, school buses and factory buses for hire);
- the offending vehicle is insured by a Malaysian licensed insurer; and
- there is no death or personal injury claim involved.

4. Your NCD is not Transferable

The NCD is personal to **You** which means that if **You** were to sell **Your Car** and **We** agree to transfer this **Policy** to the new owner, **Your** NCD cannot be transferred for the benefit of the new owner.

5. Non-utilisation of NCD

For every year that the NCD is not utilised by **You**, the NCD accumulated and applicable for this **Policy** will be reversed in accordance with the scale set out in the table in clause C1 above.

Section D: General Exceptions - these apply to the whole Policy

This section lists down circumstances under which this **Policy** does not provide cover at the time of happening of the **Incident**. This is in addition to those already listed in Sections A1b and B1b.

1. Unlicensed Drivers

There is no cover under this **Policy** if **You** or **Your Authorised Driver** do not have a valid driving licence to drive **Your Car**. This will not apply if **You** or **Your Authorised Driver** have an expired licence but are not disqualified from holding or obtaining such driving licence under any existing laws, by-laws and regulations.

2. Alcohol, Drugs and Other Intoxicating Substances

There is no cover under this **Policy** if **You** or **Your Authorised Driver** is under the influence of alcohol or intoxicating liquor, narcotics, dangerous drugs or any other deleterious drugs or intoxicating substance to such an extent that **You** or

Your Authorised Driver are incapable of having proper control of Your Car.
